

At Connections Preschool we believe that each child is a special gift from God, and we are honored to have the opportunity to help children learn and grow.

We want each child to know that they are special to God and to enjoy learning. We provide a loving, Christian environment and strive to insure that the children have a positive experience.

The Connections Preschool staff is made up of people highly qualified both educationally and in years of experience working with children.

They are caring, creative and dedicated to helping your child learn.

Thank you for your interest in Connections Preschool, and I hope your child will join us for the 2010—2011 preschool year.

**A Ministry of
Forest Hills Baptist Church**

Philosophy

The purpose of *Connections Preschool* is to extend the ministry of Forest Hills Baptist Church by nurturing, equipping, and connecting the children entrusted to us and their families to Christ.

In a warm, Christian based, child centered environment, we focus on the growth and development of each child by providing age appropriate activities. We design our program to engage each child in the learning process by doing what he knows and loves: play.

It is through play that a child explores the beauty of God's world while gaining knowledge and building self confidence.

Play is the springboard for future development of academic skills such as reading, writing, and math.

It is our goal to love and nurture each child while helping him discover his own unique identity in Christ.
